

APPENDIX C-74

FORMAT OF LETTER FOR DISPOSITION OF LOANED MATERIEL

SUBJECT: Return Disposition Instructions of Loaned DLA Materiel

TO: (Borrower)

1. The following disposition instructions are furnished relative to document(s), NSN(s), and quantity(ies) in enclosure:

a. Inventory which is serviceable but not in need of repair should be shipped to _____ (Distribution Depot).

b. Those items needing repair, Condition Code F, should be shipped to _____ (Distribution Depot) for completion of work.

c. Ensure that Project Code ____ is reflected on all containers and DD Form 1348-1. Materiel should be packed in such a manner as to prevent damage enroute.

d. If materiel is in such condition that cost of repairs may be prohibitive, this materiel should be disposed of locally.

2. Request this DSC be provided with advanced copies of DD Form 1348-1 indicating quantities shipped to above depot(s). It is further requested that this DSC be advised of quantities disposed of locally.

3. For items in paragraph 1b and c above, it is requested that this DSC be furnished a MILSTRIP Type Fund Code to which charges for change in condition and estimated cost of repair should be applied.
